Hoof Uitvoerende Beampte Bloemskou

IT'S SHOW TIME AGAIN, AND THIS YEAR WE CELEBRATE IT WITH A WONDERFUL THEME OF "SUPER HEROES."

You will have the opportunity to be part of a kaleidoscope of exhibitors, agri championships and entertainment for a full 9 days from 26 April – 4 May 2019.

Well-known names on the entertainment programme include Holly Rey, Lizz Meiring, Elandré, Jo Black, Prince KayBee, Demi Leigh Moore, DJFinzo and Bok van Blerk. Also be on the look out for the NABBA X-TREME BODY'S CLASSIC 2019 (Body Building competition), a variety of beauty contests, the Computicket Talent Search, dance extravaganza, wrestling and the Oval track racing.

A first for Bloem Show this year will be the Vodacom synthetic ice rink with real ice skates, the Big Bounce Troupe professional trampoline performing shows and the Monster Energy FMX flight night motorbike stunt shows. "Monster Energy announces Flight Night at the 2019 Bloem Show – South Africa's wildest and most progressive Freestyle Motocross show. Incorporating both top local and international riders doing the latest tricks on a huge rig, mixed with all the elements needed to crank the heat up. Fiery pyro, the Monster Energy Girls, and the ultimate trendy soundtrack. There will be no better way to get your night started at the Bloem Show as Flight Night prepares to tear into the Bloem Showgrounds! "

Bloemskou se landbou-afdeling het die mekka van die stoetveebedryf en die voorkeur skou geword vir die aanbied van kampioenskappe. Vanjaar bars die landbou afdeling uit sy nate. Daar word 24 landbou-kampioenskappe aangebied, waarvan een Wêreldskou, 7 op nasionale vlak en 16 op provinsiale of streeksvlak is. Meer as 4000 stoetdiere word vanjaar by Bloemskou verwag, wat perde, bokke, beeste en skape insluit. Ongeveer 300 uitstallers, meer as 40 uitsoek kosstalletjies en 'n heerlike padstal met plaasprodukte, lekker eetgoed en skeerdemonstrasies is ook op die program.

As the current economic climate in the country is challenging, Bloem Show is focusing on savings this year! There were NO increase in admission fees for 2019, despite an increase in VAT and enormous general price increases the past year. In addition to this visitors can also save on admission by purchasing their tickets before the show (valid till 25 April 2019 at 17h00), or visiting on one of the half-price days (29 April or 2 May), entering through the OVK gate 10 next to the Women's memorial with a R5 discount, on Sunday 28 April, family day, there is a 50% discount for all kids 6-18 years, there are also special discounted rates for students and senior citizens and special discount packages on the Fun Fair tickets. We are walking the extra mile for our visitors!
